IN THE MATTER OF THE INVESTIGATION OF
ERIC T. SCHNEIDERMAN, ATTORNEY GENERAL
OF THE STATE OF NEW YORK,

**ASSURANCE OF
DISCONTINUANCE**

No. 15-024

OF

CARTHAGE CENTRAL SCHOOL DISTRICT

ASSURANCE OF DISCONTINUANCE

In November 2014, the Office of the Attorney General of the State of New York (“OAG”) and the New York State Education Department (“SED”) began to investigate the Carthage Central School District (the “District”). The investigation sought to determine whether the District failed to fulfill its legal obligations concerning the provision of equal educational opportunities to students regardless of immigration status. Specifically, the investigation sought to determine whether the District’s policies, procedures and practices for enrolling and registering students discriminated against students on the basis of immigration status.

This Assurance of Discontinuance (“Assurance”) contains the findings of the OAG and SED in connection with their investigation of the District and the relief agreed to by the OAG and the District (“the Parties”).

II. **FINDINGS**

The Carthage Central School District

2. The Carthage Central School District has over 3,459 enrolled students currently studying at five District schools.¹ The District’s student population is 76% white, 8% Hispanic, 7% black, 5% multiracial, and 2% Asian.
3. The District is supervised by a Superintendent and a seven member Board of Education (the “Board”). The Superintendent serves as the chief executive officer of the Board and is responsible for implementing Board policies, as well as advising and recommending action to the Board. The Board has numerous responsibilities, including drafting policies for the operation of the local schools; employing a Superintendent of Schools; authorizing the appointment of teachers and all other staff members; determining goals for educational standards, and securing money for school operational needs and building programs; and authorizing specific expenditures.

¹ When used throughout this Assurance, “student” means any person below the age of twenty-one (21) currently or formerly enrolled in a District school.

The OAG/SED Joint Investigation

4. In November 2014, the OAG and SED opened a joint investigation into the District to determine whether its enrollment and registration policies and materials impermissibly discriminated against students or prospective students on the basis of immigration status. The review involved consulting public information about such policies made available by school districts to prospective applicants for enrollment.
5. The investigation found that the District's policies and materials were not consistent with *Plyler v. Doe*, which prohibits school districts from denying a resident student an equal educational opportunity on the basis of his or her immigration status. Specifically, the District's "Student Registration Form" located on its website, asks whether any prospective student "holds immigrant status." If the prospective student answers "yes," the District then asks for their "country of citizenship." These inquiries are likely to chill or discourage undocumented students from registering or enrolling in the District.

III. PROSPECTIVE RELIEF

WHEREAS, the District is subject to the Fourteenth Amendment to the U.S. Constitution, which the U.S. Supreme Court held, in *Plyler v. Doe*, prohibits school districts from denying a resident student an equal educational opportunity on the basis of his or her immigration status;

WHEREAS, under *Plyler*, the District must also ensure that its enrollment and registration procedures do not ask for information or documentation that has the purpose or result of chilling or discouraging enrollment by students on the basis of their immigration status;

WHEREAS, the investigation by the OAG and SED included the review of documents, including those made publically available by the District, concerning pertinent policies, procedures, and practices of the District;

WHEREAS, the District neither admits nor denies the findings of OAG and SED set forth in Paragraphs 2 - 5;

WHEREAS, the Parties share commitments to ensuring that every child seeking to enroll in the District's schools is treated equally regardless of immigration status, that the District's enrollment and registration policies are free of discrimination, and that no eligible child is impermissibly denied his or her right to a free education in the District's schools;

WHEREAS, the Parties are willing to accept the terms of this Assurance to resolve the investigation into the District; and

WHEREAS, the Parties believe that the obligations imposed by this Assurance are prudent and appropriate;

IT IS HEREBY UNDERSTOOD AND AGREED, by and between the District and the OAG as follows:

A.
GENERAL INJUNCTION

6. The District agrees to comply with the mandate of the Supreme Court's ruling in *Plyler v. Doe*; the obligations, terms, and conditions of the Fourteenth Amendment to the U.S. Constitution; and New York Education Law §3202 and any other applicable laws and regulations.

B.
ENROLLMENT AND REGISTRATION FORMS

7. Within fourteen (14) days of the Effective Date of this Assurance, the District shall submit for OAG approval, revised enrollment or registration materials, including but not limited to any and all instructions, forms, packets, guides, and “Frequently Asked Questions” (“Enrollment Materials”). The Enrollment Materials must not include any inquiries into citizenship, immigration status, or any other inquiries that might chill or discourage student enrollment on the basis of immigration status.
8. Within seven (7) days of OAG approval of the Enrollment Materials, but no later than January 31, 2015, the District shall (a) distribute the Enrollment Materials to the Employees who handle enrollment and registration policies and protocols at each school in the District; and (b) make the Enrollment Materials publicly available, including posting them on the District’s website with an announcement explaining the change in the Enrollment Materials.

C.
ENROLLMENT AND REGISTRATION PROCEDURES

10. No later than January 31, 2015, the District shall submit for OAG approval, written procedures for handling enrollment and registration determinations consistent with §100.2(y) of the Commissioner’s Regulations as amended effective December 16, 2014. The procedures shall include:

- a. A statement prohibiting inquiries into immigration status at the time of or as a condition of enrollment, except for limited and targeted post-enrollment inquiries, such as collecting necessary data for procuring funding under Title I of the Elementary and Secondary Education Act of 1965 (“ESEA”), Title III of ESEA, as amended by the No Child Left Behind Act of 2001, and N.Y. Educ. Law §3218 and §100.2(y) of the Commissioner’s Regulations as amended effective December 16, 2014;
- b. A statement permitting acceptance of multiple forms of proof of age as required by N.Y. Educ. Law §3218 and §100.2(y) of the Commissioner’s Regulations as amended effective December 16, 2014;

D.

11. No later than January 31, 2015, the District shall create a mandatory training program for all Employees involved in the enrollment and registration process (“Training Program”). The entity used to create the Training Program should have expertise and/or familiarity with enrollment and registration processes that comport with the law. Entities that can be retained for such training include, but are not limited to, third party non-profits, district counsel,

advisors, or other agencies. Both the entity the District uses to help develop its Training Program, and the Training Program itself are subject to OAG approval. The Training Program shall cover, but not be limited to, the following topics:

- a. The District's commitment to using policies that ensure provision of equal educational opportunities to District students regardless of immigration status;
- b. An explanation of the District's enrollment and registration process, including the District's obligations under the Fourteenth Amendment to the U.S. Constitution, N.Y. Educ. Law §§3202 and 3218, and §100.2(y) of the Commissioner's Regulations as amended effective December 16, 2014;
- c. A description of the prohibitions concerning inquiries into immigration status; identification of the limited and narrow circumstances under which such inquiries are permitted; discussion of the kinds of inquiries that can potentially chill enrollment; and
- d. An explanation of the right to file an appeal under N.Y. Educ. Law §310 if denied enrollment.

12. Within thirty (30) days of OAG approval of the Training Program, the District shall offer, and require all Employees involved in the enrollment and registration process to attend, a live presentation of the Training Program. The Training Program may be offered in connection with other District Employee training opportunities, but the District shall offer, and require all Employees involved in the enrollment and registration process to attend, a live presentation of the Training Program no less than once in each school year covered by this Assurance. Such notice shall include the number of students denied enrollment and a general statement summarizing the basis for the denials. Notice regarding denials, if any, shall be provided on a monthly basis and can be provided in written or electronic format to the OAG in accordance with Paragraph 31.

27. In the event that any one or more of the provisions contained in this Assurance shall for any reason be held to be invalid, illegal, or unenforceable in any respect, in the sole discretion of the OAG such invalidity, illegality, or unenforceability shall not affect any other provision of this Assurance.
28. If the Assurance is voided or breached, the District agrees that any statute of limitations or other time-related defenses applicable to the subject of the Assurance and any claims arising

from or relating thereto are tolled from and after the date of this Assurance. In the event the Assurance is voided or breached, the District expressly agrees and acknowledges that this Assurance shall in no way bar or otherwise preclude the OAG from commencing, conducting or prosecuting any investigation, action or proceeding, however denominated, related to the Assurance, against the District, or from using in any way any statements, documents or other materials produced or provided by the District prior to or after the date of this Assurance.

29. No provision of this Assurance shall be interpreted to require the disclosure of student education records where prohibited by the Family Educational Rights and Privacy Act.
