Joe.

Reference our telephone discussion today. Sorry for the slow response to

Friday message, Stamford trip came up on short notice. I forwarded the documents to Ross Emmerman today. Also advised him of our objective of getting Westgen first clearance on wording to you by this Friday.

Shouldn't be a problem. I will go through the transaction with him tomorrow, after you & I talk it through.

As advised Ross has done my corporate work since 1993 and effectively is Westgen internal counsel.

Contact details: Neal Gerber & Eisenberg. Two North LaSalle, Suite 2100. Chicago 60602. 312-269-8000 direct 8051. fax 312-269-1747. remmerman@ngelaw.com <<mailto:remmerman@ngelaw.com>> As discussed, I will call you tomorrow late morning.

Best regards.
John.

John:

Attached are The Subscription And Operating Agreement for the proposed transaction, and the reinsurance agreement. I will call you on Monday regarding the other issues.

Best regards,

Joe
