Location of Claim	Product	Claim
http://www.dowagro.com/newsroom/news/060800.htm	Chlorpyrifos	"Because of FQPA, the rules have changed," Miller added, "but the safety of chlorpyrifos hasn't. ...but this does not change our conviction in the safety of chlorpyrifos for all labeled uses."
http://www.dowagro.com/newsroom/issues/chlor/ga.htm	Chlorpyrifos	Consumer exposure from labeled use of chlorpyrifos products provides wide margins of safety for both adults and children. These exposures are far too low to result in harmful effects.
http://www.dowagro.com/newsroom/news/060800.htm	Chlorpyrifos	Taken together, these reports and studies show that currently labeled uses of chlorpyrifos products provide wide margins of safety for both adults and children.
http://www.dowagro.com/newsroom/issues/chlor/ga.htm	Chlorpyrifos	Taken together, these reports and studies affirm that chlorpyrifos products, when used as directed, provide wide margins of safety for both adults and children
http://www.dowagro.com/newsroom/news/060800.htm	Chlorpyrifos	The latest World Health Organization/Food and Agriculture Organization, conducted last year, supported the safety of the product for all its labeled uses.
http://www.dowagro.com/chlorp/science/index.htm	Chlorpyrifos	Three decades of use have shown that unless seriously misused, products containing chlorpyrifos have wide margins of safety that protect users and consumers, including infants and children.
http://www.dowagro.com/newsroom/issues/chlor/ga.htm	Chlorpyrifos	Used as directed, chlorpyrifos products are safe for use around adults and children.
http://www.dowagro.com/newsroom/issues/chlor/ga.htm	Chlorpyrifos	Used as directed, chlorpyrifos products provide wide margins of safety for both adults and children. Dow AgroSciences stands behind the safety of all labeled used of chlorpyrifos products. Our conviction of the safety of these products is based on extensive research and more than 30 years of product use.
http://www.dowagro.com/newsroom/issues/chlor/status.htm	Chlorpyrifos	We are confident that labeled uses of chlorpyrifos products provide margins of safety wide enough to protect both adults and children from potential exposure.
http://www.dowagro.com/usag/prod/059.htm	Confirm* 2F	Features: Safety to Beneficials
http://www.dowagro.com/usag/prod/059.htm	Confirm* 2F	It has no toxicity to beneficial insects,...
