

APPENDIX A

1. Eliot Spitzer is the Attorney General of the State of New York.
2. Richard Blumenthal is the Attorney General of the State of Connecticut.
3. Patrick C. Lynch is the Attorney General of the State of Rhode Island.
4. Adirondack Communities and Conservation Program
Contact person: Leslie Karasin
Address: 138 A River Street
Saranac Lake, NY 12983
(518) 891-8872

(description of submitter to be provided)

5. Adirondack Mountain Club, Inc.
Contact person: Neil F. Woodworth
Address: 301 Hamilton Street
Albany, NY 12210
(518) 449-3870

The Adirondack Mountain Club, Inc. (ADK), is a not for profit New York membership corporation with 35,000 members and represents hikers, canoeists, backpackers, campers and cross-country skiers in New York and other northeastern states. ADK owns nearly 700 acres adjoining the High Peaks Wilderness Area in Essex County, New York that has been impacted by acid deposition.

6. American Lung Association of the City of New York
Contact Person: Cindy Erickson
Address: 432 Park Avenue South
New York, NY 10016
(212) 889-3370

For over 100 years, the American Lung Association has served the City of New York as the premier community resource on all areas of pulmonary health. The mission of the American Lung Association of the City of New York - to prevent lung disease and promote lung health - is realized through a broad variety of community education programs, research projects and advocacy initiatives to fight asthma, air pollution and tobacco-related diseases.

7. American Lung Association of Connecticut
Contact Person: John Zinn
Address: 45 Ash Street
East Hartford, CT 06108
(860) 289-5401

The American Lung Association of Connecticut's mission is to fight lung disease and promote lung health.

8. American Lung Association of Maine
Contact Person: Edward F. Miller
Address: 122 State Street
Augusta, Maine 04330
(207) 622-6394

The American Lung Association of Maine strongly supports a coordinated program that links research, education, and advocacy efforts to reduce outdoor air pollution. Its Board recently adopted position statements that recognize the non-threshold nature of ozone and fine particulates, and advocates efforts directed towards reducing the air quality impacts of the energy and transportation systems to the lowest achievable levels.

9. American Lung Association of Massachusetts, Inc.
Contact Person: Carlos Alvarez
Address: One Abbey Lane
Middleboro, MA 02346
(508) 947-7204

The mission of the American Lung Association of Massachusetts is the prevention and control of lung disease through research, education and training.

10. American Lung Association of New Hampshire
Contact Person: Michael D. Weil
Address: 9 Cedarwood Drive
Bedford, NH 03110
(603) 669-2411

(description of submitter to be provided)

11. American Lung Association of New Jersey
Contact Person: Robert Corso
Address: 1600 Rte. 22 East
Union, NJ 07083
(908) 687-9340

The American Lung Association of New Jersey is dedicated to the prevention of lung disease and the promotion of lung health.

12. American Lung Association of Rhode Island
Contact Person: Margaret E. Kane
Address: 298 West Exchange Street
Providence, RI 02903
(401) 421-6487

The American Lung Association of Rhode Island has been fighting lung disease for nearly 100 years, through advocacy, education, community service, research. It fights Bad Air, Big Tobacco, and the Asthma Epidemic to which air pollution and tobacco smoke contribute.

13. Appalachian Mountain Club
Contact Person: Andrew J. Falender
Address: 5 Joy Street
Boston, MA 02108
(617) 523-0636

The Appalachian Mountain Club is the nation's oldest conservation and recreation organization, and now has 91,000 members. The Appalachian Mountain Club is dedicated to the protection, enjoyment and wise use of the mountains, rivers and trails of the Appalachian region.

14. Audubon New York
Contact Person: David J. Miller
Address: 200 Trillium Lane
Albany, NY 12203
(518) 869-9731

Audubon New York promotes the protection and proper management of birds, other wildlife and their habitats through citizen science, advocacy and education. Through its statewide network of 30 local grassroots chapters, Audubon Centers, and sanctuaries, they provide education and conservation programs dealing with topics of local, statewide and national significance.

15. Breast Cancer Coalition of Rochester
Contact Person: Holly Anderson
Address: 840 University Ave.
Rochester, NY 14607
(585) 473-8177

The Breast Cancer Coalition of Rochester is a community-based organization dedicated to eradicating breast cancer through action and advocacy. Its mission is to make eradication of breast cancer a priority through education and advocacy; to empower women and men to participate fully in decisions relating to breast cancer; to provide support to those coping with breast cancer diagnosis; and to promote and focus research into the causes, prevention, treatment, and cure of breast cancer

16. Citizens' Environmental Coalition
Contact Person: Kathleen A. Curtis
Address: 33 Central Avenue
Albany, NY 12210
(518) 462-5527

Citizens' Environmental Coalition is a partnership of over 110 community, labor, environmental, youth, and faith-based organizations and thousands of individuals working to eliminate pollution in our homes, schools, and workplaces through grassroots advocacy and citizen empowerment.

17. Connecticut Public Interest Research Group
Contact Person: Christopher Phelps
Address: 198 Park Road, 2nd Floor
West Hartford, CT 06119
(860) 233-7554

ConnPIRG represents over ten thousand members in Connecticut. Through research, grassroots organizing and advocacy, we work to protect the environment, encourage a fair, sustainable economy, and foster responsive, democratic government.

18. Conservation Law Foundation
Contact Person: Nancy L. Girard
Address: 27 North Main Street
Concord, New Hampshire 03301
(603) 225-3060

The Conservation Law Foundation (CLF) works to solve the environmental problems that threaten the people, natural resources, and communities of New England. CLF advocates use law, economics, and science to design and implement strategies that conserve natural resources, protect public health, and promote vital communities in our region. Founded in 1966, CLF is a nonprofit, member-supported organization.

19. Delaware-Ostego Audubon Society, Inc.
Contact Person: Andrew Mason
Address: 1039 Peck St.
Jefferson, NY 12093
(607) 652-2162

The Delaware-Ostego Audubon Society is a Chapter of the National Audubon Society with membership of 500, in Delaware, Ostego, Chenango and Schoharie Counties. The organization is engaged in a variety of conservation and education activities, including air pollution issues such as acid deposition in New York.

20. Environmental Advocates
Contact Person: Anne K. Reynolds
Address: 353 Hamilton Street
Albany, NY 12210
(518) 462-5526

Environmental Advocates of New York (EANY) is a nonprofit organization formed in 1969 to serve the people of New York State as an effective and aggressive watchdog on virtually every important state environmental issue. EANY has thousands of individual supporters and over 130 organizational members, and regularly works in coalition with local and regional environmental and community groups around New York. EANY is the New York State affiliate of the National Wildlife Federation and confer regularly with colleagues in other states through membership in the State Environmental Leadership Conference.

21. Environment & Society Institute
University at Buffalo, State University of New York
Contact Person: John E. Vena
Address: 3435 Main Street
Buffalo, NY 14214
(716) 829-2975 x637

University of Buffalo's Environment & Society Institute is established to coordinate, strengthen, and promote interdisciplinary environmental research, teaching and service activities within the University, and to utilize that expertise in assisting communities to resolve their environmental problems.

22. Finger Lakes Trail Conference
Contact Person: Ellen M. Gibson
Address: 6111 Visitor Center Road
Mt. Morris, NY 14510
(315) 986-1474

The mission of FLTC is to build, protect, and enhance a continuous footpath across New York State forever. Its membership hikes on, maintains, and promotes the protection of 800-mile Finger Lake Trail system. Many parts of this trail are also “certified” sections of the North County Scenic Trail, which stretches from North Dakota to New York State.

23. Fishkill Ridge Caretakers, Inc.
Contact Person: Peter Rostenberg, MD
Address:

Fishkill Ridge Caretakers, Inc. is a grassroots organization that began in 1999 to support the responsible use of the Hudson Highland, Fishkill Ridge, and its surrounding area, including the region’s most important public water supply.

24. Global Warming Action Network
Contact Person: Oliver Clubb
Address: 504 Allen Street
Syracuse, NY 13210
(315) 479-5983

Syracuse-based Global Warming Action Network is committed to the promotion of measures at every level that would reduce greenhouse gas emissions and mitigate the impact of global warming, notably including reductions in CO2 and other emissions from coal-burning power plants.

25. Great Lakes United
Contact Person: Margaret Wooster
Address: BSC Cassety Hall
1300 Elmwood Avenue
Buffalo, NY 14222
(716) 886-0142 x0303

Great Lakes Unites is an international, not-for-profit coalition of environmental, labor, and conservation organization dedicated to protecting and restoring a healthy Great Lakes - St. Lawrence River ecosystem, and healthy communities within the ecosystem.. This 21 year-old coalition includes over 170 organization representing hundreds of thousands of citizens across the basin, including 40 groups across New York State.

26. Green Education and Legal Fund, Inc
Contact Person: Mark Dunlea
Address: 156 Big Toad Way
Poestenkill, NY 12140
(518) 286-3411

Green Education and Legal Fund, Inc. is a nonprofit research and education organization working to promote ecology, nonviolence, social and economic justice, and grassroots democracy.

27. Greenpeace Canada
Contact Person: Peter Tabuns
Address: 250 Dundas St. W., Suite 605

Greenpeace Canada operates across Canada working on the issues of climate change, forest protection and genetic engineering. Founded in 1971 in Vancouver, Greenpeace in Canada has over 80,000 members.

28. Greenpeace USA
Contact Person: John Passacantando
Address: 702 H Street NW, Suite 300
Washington, DC 20001
(202) 462-1177

Since 1971, Greenpeace has been the leading voice of the environmental movement. Greenpeace works throughout the world to protect oceans and ancient forests, and to fight toxic pollution, genetic engineering, global warming, and nuclear threats.

29. Hudson River Sloop Clearwater, Inc.
Contact Person: Andre Mele
112 Little Market Street
Poukeepsie, NY 12601
(845) 454-7673

Hudson River Sloop Clearwater, Inc., is a nonprofit organization with 10,000 members. Its mission is to defend and restore the Hudson River and its communities through education, advocacy and celebration.

30. Lake Clear Association

Contact Person: Robert Callaghan
Address: P.O. Box 158
Lake Clear, NY 12945
(518) 891-4610

The Lake Clear Association is a community organization concerned with the quality of water and life in, and around, Lake Clear. They are very concerned about the known impacts of acid rain on Adirondack Mountain surface waters and support efforts to reduce acid rain causing pollution.

31. Massachusetts Public Interest Research Group

Contact Person: Frank Gorke
Address: 29 Temple Place
Boston, MA 02111
(617) 747-4316

MASSPIRG is the state's largest environmental and consumer protection organization. For thirty years it has worked to promote clean air, clean water, and open spaces; and to protect consumers from unfair practices. IT has over 45,000 members throughout Massachusetts who suffer the health impacts of toxic air pollution from power plants.

32. Natural Resources Defense Council

Contact Person: John D. Walke
Address: 1200 New York Avenue, NW, Ste. 400
Washington, DC 20005
(202) 289-2406

The Natural Resources Defense Council is a national, non-profit organization of scientists, lawyers and environmental specialists dedicated to protecting public health and the environment. Founded in 1970, NRDC has more than 550,000 members nationwide, served from offices in New York, Washington, Los Angeles and San Francisco.

33. New Hampshire Public Interest Research Group

Contact Person: Josh Irwin
Address: 80 North Main Street
Concord, NH 03310
(603) 229-3222

New Hampshire Public Interest Research Group (NHPIRG) is an advocate for the public interest. When consumers are cheated or the natural environment is threatened, or the voices of ordinary citizens are drowned out by special interest lobbyists, NHPIRG speaks up and takes action. NHPIRG uncovers threats to public health and well-being, and fight to end them, using the time-tested tools of investigative research, media exposes, grassroots organizing, advocacy and litigation.

34. New Jersey Public Interest Research Group
Contact Person: Dena Mottola
Address: 11 North Willow Street
Trenton, NJ 08608
(609) 394-8155 x306

NJPIRG Citizen Lobby is a state-based public interest advocacy organization. It works on a variety of issues that affect the people of New Jersey, especially environment, government, and consumer issues.

35. New York Public Interest Research Group
Contact Person: Lisa F. Garcia
Address: 9 Murray Street, 3rd Floor
New York, NY 10007
(212) 349-6460

The New York Public Interest Group, Inc. (NYPIRG) is a not-for-profit membership organization dedicated to protecting the environment, supporting consumer rights, and improving government administration. NYPIRG's principal office is located at 9 Murray Street, 3rd Floor, New York, New York 10007. NYPIRG also maintains twenty offices on college campuses, a legislative office in Albany, New York, and regional offices in Buffalo, Huntington and Syracuse. NYPIRG invests considerable resources in advocating clean air, repowering older power plants and reviewing and commenting on federal Clean Air Act permits for major industrial facilities.

36. New York State Community of Churches
Contact Person: Mary Lu Bowen
Address: 362 State Street
Albany, NY 12210
(518) 436-9319

The New York State Community Churches (formerly known as the New York State Council of Churches) is a statewide organization through which major protestant denominations accomplish mission goals that can be achieved more effectively working together. Goals include social justice, institutional pastoral care, and economical cooperation in education, worship and action.

37. Northeast Organic Farming Association of New York, Inc.
Contact Person: Sarah Johnston
Address: P.O. Box 880
Cobleskill, NY 12043
(518) 922-7937

Northeast Organic Farming Association of New York, Inc. (NOFA-NY), is a nonprofit organization dedicated to creating an ecologically sound regional food system that is socially and economically sustainable. Incorporated in 1985, the organization has worked with farmers and others to improve organic farming methods, to bring consumers and farmers together and to expand local marketing opportunities. NOFA-NY promotes the reduction of ecological impacts of farming practices and production of high quality food. Reduction of air pollution will increase the farmer's ability to control the acidity of their soils and reduce the problematic pollutants that bioaccumulate in agricultural products and the environment within which farmers grow crops and raise animals.

38. Ohio Public Interest Research Group
Contact Person: Bryan M. Clark
Address: 2460 Fairmount Blvd., Ste. C
Cleveland Heights, OH 44106
(216) 791-1116

The Ohio Public Interest Research Group is a nonprofit, nonpartisan, state-based advocate for the public interest. Its mission is to deliver persistent, results-oriented activism that encourages a fair, sustainable economy, protects the environments, and fosters responsive, democratic government.

39. Ontario Clean Air Alliance
Contact Person: Jack Gibbons
Address: 625 Church Street, Ste. 402
Toronto, Ontario
Canada, M4Y 2G1
(416) 926-1907 x240

The Ontario Clean Air Alliance is a coalition of health, environmental and consumer organization, faith communities, municipalities, utilities, unions and individuals. Its partner organizations represent more than six million Ontarians.

40. PennEnvironment
Contact Person: Nathan Willcox
Address: 1334 Walnut Street, 6th Floor
Philadelphia, PA 19107
(215) 732-5897

PennEnvironment is a statewide environmental organization, with more than 10,000 members across the state. IT uses citizen-based advocacy, grassroots organizing, and research to promote clean air, clean water, and open space protection.

41. Rainbow Lake Association, Inc.
Contact Person: Joseph M. Deignan, MD
Address: P.O. Box 42
Rainbow Lake, NY 12976
(518) 327-5221

The Rainbow Lake Association represents shoreline homeowners on the Rainbow-Kushaqua Champlain watershed in the New York Adirondacks. Its primary purpose is to protect and preserve the health of these lakes. Rainbow Lake Association strives to achieve these goals through education, lake monitoring, and advocacy for these ideals.

42. Rhode Island Public Interest Research Group

Address: 11 South Angell Street, #337
Providence, RI 02906
(401) 421-6578

RIPIRG is a nonprofit, nonpartisan public interest advocacy organization. RIPIRG works on environmental, consumer and good government issues. RIPIRG has 1,000 members throughout Rhode Island.

43. Residents' Committee to Protect the Adirondacks, Inc.
Contact Person: Peter Bauer
Address: P.O. Box 27
North Creek, NY 12853
(518) 251-5068

The Residents' Committee to Protect the Adirondacks, Inc. is a grassroots, membership organization dedicated to the protection and stewardship of the natural environment and human communities of the Adirondack Park for the current and future generations.

44. Scenic Hudson, Inc.
Contact Person: Alix Gerosa
Address: One Civic Center Plaza
Poughkeepsie, NY 12601
(845) 473-440 x.224

Scenic Hudson, Inc. is a 39 year old nonprofit environmental organization and separately incorporated land trust dedicated to protecting and enhancing the scenic, natural, historic, agricultural and recreational treasures of the Hudson River and its valley. To date it has protected 18,000 acres of land in 10 counties and created or enhanced 29 parks and preserves for public enjoyment.

45. Sierra Club, including Sierra Club of Canada
Contact Person: James Mays
Address: 2345 County Rt. 3
Olivebridge, NY 12461
(845) 657-2013

The Sierra Club, including Sierra Club of Canada, is a 750,000 member volunteer driven, non-governmental environmental organization operating throughout the United States and through an allied organization, Sierra Club of Canada, throughout Canada. Its interests focus on the protection and enjoyment of the natural environment. Air quality and global warming are also areas of great importance.

46. Sierra Club of Canada, Eastern Canada Chapter
Contact Person: Dan McDermott
Address: 24 mercer Street, Ste. 102
Toronto, Ontario
Canada, M5V 1H3
(416) 960-9696

The Sierra Club has been active in Canada since 1969, working on matters of public policy and environmental awareness.

47. Toronto Environmental Alliance
Contact Person: Keith Stewart, Ph.D.
Address: 30 Duncan St., Ste. 201
Toronto, Ontario
Canada, M5V 2C3
(416) 596-0660

The Toronto Environmental Alliance (TEA) is a non-governmental, not-for-profit environmental organization with a mandate to promote a greener Toronto. TEA speaks out on environmental issues and works with concerned individuals, public health agencies, local governments and grassroots organizations to foster citizen participation.

48. Town of Chesterfield
Contact Person: Gerald Morrow
Address: 1 Vine Street
P.O. Box 456
Keesville, NY 12944
(518) 834-9042

Town of Chesterfield is located in Essex County, New York. The municipality is home to some of the most precious mountains, recreational areas, and surface waters in the Adirondack Park, including Lake Champlain. The health of these natural resources is vital to the environment and economy of the Town of Chesterfield.

49. Town of Wilmington
Contact Person: Jeanne Ashworth
Address: Community Center, Springfield Road
Wilmington, NY 12997
(518) 946-7179

(description of submitter to be provided)

50. U.S. Public Interest Research Group
Contact Person: Rebecca Stanfield
Address: 218 D. Street SE
Washington, DC 20003
(202) 546-9707

U.S. Public Interest Research Group (U.S. PIRG) is the national lobby office for the State PIRGs, which are nonprofit, nonpartisan consumer, environmental and good government advocacy organizations active across the country. U.S. PIRG has thousands of members in the Northeast who are directly impacted by power plant pollution from Ontario.

51. Vermont Public Interest Research Group
Contact Person: Paul Burns
Address: 141 Main Street, Ste. 6
Montpelier, VT 05602
(802) 223-5221

Vermont Public Interest Research Group (VPIRG) is the state's largest nonprofit, nonpartisan, consumer and environmental advocacy organization. VPIRG's mission is to ensure the health and well-being of Vermont's people and environment by informing and mobilizing citizens across the state.

52. Waterkeeper Alliance
Contact Person: Robin Greenwald
Address: 828 South Broadway, Ste. 100
Tarrytown, NY 10591
(914) 674-0622

Waterkeeper Alliance is a grassroots based organization dedicated to protecting and preserving watersheds both in the United States and abroad. Its membership is made up of local programs in the United States, Canada, South and Central America, Europe, and Australia. The Alliance connects and supports local waterkeeper programs to provide a voice for waterways and their communities worldwide. In addition, Waterkeeper Alliance advocates on issues common to its member waterkeeper programs, and promotes the Waterkeeper model of watershed protection.

53. WNY Sustainable Energy Association
Contact Person: Walter Simpson
Address: 4 Meadowstream Court
Amherst, NY 14226
(716) 839-0062

WNY Sustainable Energy Association (WNYSEA) is an all-volunteer community organization located in Western New York, which is dedicated to promoting sustainable energy policies and practices. WNYSEA sponsors various programs to educate the public about energy conservation and efficiency and renewable, solar energy resources and technologies.
