Dear Managed Property Customer:

Attached is a procedure that you may use to rewire the GE and Hotpoint dishwashers subject to the recall announced October 19, 1999. This procedure is authorized *ONLY* for managed properties with qualified maintenance staffs.

Please make sure that you read the information carefully and then fill out the Property Management Dishwasher Recall Form that is included in the packet. It is very important that you include your specific GE account number on this form.

Please make sure you have filled out the form completely and signed it before faxing it to 1-800-772-6704.

Contact your Telesales Area Sales Manager if you have questions.
